Strategy: Standard play for Bronze tier

POSTFLOP STRATEGY

PFA (Position of Final Action - Aggressor)

- More aggressive betting patterns
- Lower thresholds for value betting
- Smaller sizing for pot control
- Designed for players who initiated the action

Caller (Passive Player)

- More defensive play patterns
- Higher thresholds for value betting
- Larger sizing for value extraction
- Designed for players who called preflop

DECISION TABLES

FLOP STRATEGY

Action/Parameter	UTG	MP	CO	BTN
AS PFA - Value Threshold	35	30	30	20
